

Seneca Academy invites you to come along on a summer FILLED with adventures for children aged 6-12!

Seneca Academy Adventure Camps combine artistic study with adventures around our community. Students are able to explore fine art techniques, music, drama or film making for half of the day, and take trips to local parks, pools, performances and other adventures for the other half. Seneca Academy Adventure Camps are typically lead by our own teachers and are conducted in the same nurturing, engaging atmosphere as our year-round programs.
